

ENS DAO SERVICE PROVIDER PROGRAM

AWARD NOTICE

Award Reference: [•]

Award Date (Effective Date): [•] 2026

1. **THE AWARD**

This Award Notice is issued by the ENS Foundation (the “**Foundation**”) to the recipient identified in Item 1 of the Schedule to this Award Notice (the “**Recipient**”). The DAO governance process referenced in Item 2 of the Schedule has resulted in the Recipient being selected to receive the Service Fees set out in Item 6 of the Schedule, on the terms set out in this Award Notice and in the ENS DAO Service Provider Program Terms (the “**Program Terms**”) referenced in Item 3 of the Schedule. Capitalised terms used but not defined in this Award Notice have the meanings given in the Program Terms.

2. **ACCEPTANCE AND BINDING EFFECT**

By signing this Award Notice, the Recipient: (a) accepts the Program Terms in full and without modification; (b) confirms that it has read, understood and is bound by the Program Terms; (c) confirms that the Program Terms identified in Item 3 of the Schedule below as applicable at the date of its application were published or linked at that date and were available to the Recipient prior to the submission of its application; (d) makes the representations, warranties and covenants set out in the Program Terms (including without limitation those in clauses 7.3, 9.1 and 9.2 of the Program Terms) as at the Effective Date; (e) authorises the Foundation to make the disclosures set out in clauses 8.5 and 17.7 of the Program Terms; (f) represents and warrants that (i) it has full corporate, legal or other applicable power and authority to enter into and perform this Award Notice and the Agreement, (ii) the individual signing this Award Notice on its behalf is duly authorised to do so, and (iii) the execution and performance of this Award Notice and the Agreement do not breach or conflict with the Recipient’s constitutional documents or any other agreement, instrument, judgment, order or law by which it is bound; (g) confirms that the Approved Wallet identified in Item 6 of the Schedule below is owned by, or under the sole beneficial ownership and control of, the Recipient and may not be changed without the Foundation’s prior written consent; and (h) acknowledges that this Award Notice and the Program Terms together constitute the binding contract between the Foundation and the Recipient. The Recipient further acknowledges that the Program Terms are not subject to negotiation or modification by the Recipient.

3. **EFFECT OF THIS AWARD NOTICE**

This Award Notice records the recipient-specific commercial terms of the Award and, except to the extent expressly contemplated by the Program Terms or expressly stated in this Award Notice by reference to a clearly identified provision of the Program Terms, does not vary, amend or modify the Program Terms. To the extent any item in the Schedule below is incomplete or inconsistent with the Program Terms, the Program Terms shall prevail. For the avoidance of doubt, the application of the Recipient identified in Item

2 of the Schedule is, to the extent referenced in the description of the Project in Item 4 of the Schedule, incorporated into and forms part of the Agreement for the purposes of (in particular) clauses 6.1 and 7.2(c) of the Program Terms.

4. SCHEDULE

Item 1 — Recipient details	
Recipient (full legal name)	[•]
Jurisdiction & form	[Cayman exempted company / Delaware LLC / etc.]
Registered office	[•]
Notice address	[•]
Notice email	[•]
Recipient signatory	[Name, title]
Recipient KYC / tax contact	[Name, title, email — single point of contact for KYC, beneficial ownership and tax information requests under clause 3.5 of the Program Terms]
Item 2 — DAO selection	
Approved application URL	[Stable URL of application post on ENS Forum]
Approved DAO proposal URL / reference	[Stable URL of selecting DAO proposal, with version / snapshot block / vote ID where applicable]
Item 3 — Program Documents	
Applicable Program Terms as at Recipient's application date	Version 1.0, dated 14 May 2026, available at [URL] — included for evidential purposes to confirm the version of the Program Terms published or linked at the date of submission of the Recipient's application
Program Terms version applicable to this Award	Version 1.0, dated 14 May 2026 — this is the version of the Program Terms that governs this Award Notice and the Agreement
Program Terms URL	[Stable URL]
Program Documents (incl. EP 6.3 and / or successor)	[Stable URL, version, date]
Item 4 — The Project	

Project description	[Concise description of the Project — the work the Service Fees will fund. May cross-refer to the application URL above.]
Repository / source code URL	[•]
Project-specific licence (if different from default)	[Default: MIT for software, CC BY-SA 4.0 for documentation. Specify any approved exception.]
Mandated Copyleft Dependencies / approved copyleft licence exceptions	[List any anticipated Mandated Copyleft Dependency identified in the Recipient's application under clause 8.1 of the Program Terms, together with the relevant upstream dependency, the applicable copyleft licence and any approved exception. State 'None anticipated' if not applicable.]
Item 5 — KPIs / milestones	
KPIs and reporting metrics	[Specified KPIs, reporting cadence and method of measurement. Used for clause 6.3 quarterly reports.]
Item 6 — Service Fees	
Aggregate Service Fees	[•] USDC
Term	[•] months / years from the Effective Date
Payment token	USDC (or such other token specified)
Network	[Ethereum mainnet / [L2]]
Smart Contract address	[0x• — payment / streaming contract]
Approved Wallet address	[0x• — the wallet that may withdraw from the Smart Contract; any change requires Foundation written consent under clause 5.8(b) of the Program Terms and clause 2(g) of this Award Notice]
Approved Wallet control structure	[Identify whether the Approved Wallet is (i) an externally-owned account (EOA), (ii) a multi-signature contract (specify the contract address, threshold (e.g. 2 of 3), and the legal or pseudonymous identity of each signer), (iii) under a third-party custody arrangement (identify the custodian), or (iv) any other arrangement. Disclose any approved custody arrangement, signer change protocol, or other material control feature. Any change to this control structure requires Foundation prior written consent under clause 5.8(b) of the Program Terms.]
Stream / vesting schedule	[Continuous stream / linear vesting at the rate set out in the underlying smart contract / [other]]
Item 7 — Reporting	

Reporting cadence	Quarterly, in accordance with clause 6.3 of the Program Terms
Reporting forum URL	[Stable URL on the ENS Forum where reports will be posted]
Foundation point of contact	[Name and email of Metagov / Ecosystem steward]
